GROW YOUR CUSTOMER BASE. MAKE A DIFFERENCE.

How It Works

What is a Community Collaborator?

Local, child-focused businesses partner with JCC Abrams Camps through specialty programming and cross-promotion. **No cash donation is required.**

Perfect for:

Martial arts studios, dance schools, art studios, music schools, tutoring centers, sports academies, and similar child-focused businesses.

The Exchange

What We Offer

- Listed as a collaborator on our website and permanent Instagram highlight reel
- Social media cross-promotion (we post about your visit and share your content)
- Booth at Back to Camp Night and any of our vendor events
- Send your materials home with campers and families

What We Ask

- Teach an elective, lead a demo, or run an activity at camp
- Display a camp flyer at your business or your network year-round
- Share our events and registration link with your community
- 3 social media posts promoting camp (summer, winter, and spring).

Do you run a business that serves kids? We'd love to explore a partnership. Community Collaborators get exposure to our camp families while enriching the camp experience with their expertise.
